Helping good people change the world.

## HOW SUCCESSFUL PEOPLE THINK

*Change Your Thinking, Change Your Life*

What single quality do successful people from all walks of life share in common? The way they think! Successful people THINK differently. According to leadership guru John C. Maxwell in his book "How Successful People Think," when you learn to think like successful people you discover your own path to success. Change your thinking and you change your life! Through reflection, structured discussions, group activities, and other real-world applications, this program will help you learn and apply eleven types of thinking that will change your life! Want to learn to think the way successful people do? Book this program.

### Learning Objectives:

- Recognize the correlation between thinking and success
- Engage in big-picture thinking to increase insights and expand options
- Embrace unpopular thinking to create new ideas, paradigms, and possibilities
- Foster shared and unselfish thinking to promote collaboration and increase cooperation

### Fields of Study:

- Personal Development
