## LEADERSHIP MAGIC

### *How to Apply Disney Values, Vision, and Priorities in Your Organization*

Disney parks are known as “The Happiest Place on Earth,” and the man who envisioned it all is still revered for his leadership, despite having died a half-century ago! Today, The Disney Company continues to operate its empire based on the timeless leadership values, vision, and priorities Walt established. Fasten your seatbelt because this program will take you behind the scenes where a former Disney leader will help you learn the leadership principles that have kept Disney on track through many ups, downs, twists, and turns for nearly a century. Want to learn the magic of Disney leadership? Book this program.

### **Learning Objectives:**

- Explain how Disney leaders balance heritage and innovation
- Apply Disney’s hierarchy of priorities to your organization
- Identify ways to continually “plus” and reimagine your organization
- Develop a plan to overcome adversity and achieve your leadership goals

### **Fields of Study:**

- Personal / Professional Development
- Business Management & Organization

### **Competencies:**

- Setting Vision & Strategy
- Taking Risks & Innovating
