Helping good people change the world.

THE 15 INVALUABLE LAWS OF GROWTH

How to Achieve Your Personal and Professional Potential

Everyone wants to grow personally and professionally, but many people struggle to do so. If only there were tried and true principles certain to help you grow? Good news! Leadership guru John C. Maxwell identified 15 laws guaranteed to do just that. Based on lessons from his book by the same title, this program uses self-assessments, group discussions and activities, and other real-world applications, to introduce timeless universal principles that will help you continually accelerate your growth. Want to learn how to ultimately achieve your full potential? Book this program.
