MASTERING THE ART OF FACILITATION

How to Design, Plan, and Facilitate Productive Group Events

Whether you lead meetings and work sessions or facilitate training workshops, your success depends greatly on your ability to remain objective, engage others, build consensus, guide decisions, manage disruptions, and much, much more! This program takes you “behind the scenes” with a certified facilitator to experience, learn, and apply proven techniques and “tricks of the trade” used by the most seasoned pros. Want to facilitate productive on site and online events that help your group achieve its desired results? This program will show you how!
