Helping good people change the world.

HOW SUCCESSFUL PEOPLE THINK

Change Your Thinking, Change Your Life

What single quality do successful people from all walks of life share in common? The way they think! According to leadership guru John C. Maxwell in his book “How Successful People Think,” when you learn to think like successful people you discover your own path to success. Change your thinking and you change your life! Through reflection, facilitated discussions, and group activities, this program will help you learn and apply eleven types of thinking that will change your life! Want to be more successful? This program will show you how to do it!

Format and Duration:

- Online (worldwide) or onsite (Americas, Europe, Asia); 4-8 hours

Learning Objectives:

- Recognize the correlation between thinking and success
- Engage in big-picture thinking to increase insights and expand options
- Embrace unpopular thinking to create new ideas, paradigms, and possibilities
- Foster shared and unselfish thinking to promote collaboration and increase cooperation

Leadership Competencies:

- Navigating complexity and taking initiative
- Thinking creatively and decisively solving problems

Fields of Study:

- Business management and organization
- Social environment of business
