LEADING THROUGH CRISIS

How to Help Your Team Overcome Adversity

Crisis brings out the best in good leaders. In fact, times of intense trouble can be constructive turning points for those who know how to use adversity as a catalyst to emerge stronger and more resilient. This program integrates first-hand crisis management experience and relevant leadership principles from guru John C. Maxwell to help you maintain perspective, engage in possibility thinking, and address the practical and psychological needs of people confronted with any crisis. Want to help others resist the natural urge to get back to normal by showing them how to emerge “better than normal?” This is the program for you!

Format and Duration:

- Online (worldwide) or onsite (Americas, Europe, Asia); 8 hours

Learning Objectives:

- Help others gain perspective and maintain focus during times of crisis
- Overcome resistance and assumptions about how things “should be”
- Empower others to pursue possibilities and intentionally take direct actions
- Use adversity as a catalyst for helping others emerge better than normal

Leadership Competencies:

- Overcoming adversity by maintaining a strategic perspective
- Demonstrating compassion and putting people at ease

Fields of Study:

- Business management & organization
- Social environment of business
